

Tech Jeopardy

Rulebook

Tech Jeopardy is a spinoff of the popular game Jeopardy. With themes based on Technology, SF&F, tech history, modern developments etc.

How the game is played:

There will be 6 categories with 5 questions of increasing difficulty in each. Teams get to pick which question they would like to answer. Correct answers get you points and incorrect ones get you negative points.

Note: there will be limited slots available for registration and this will be a team event, no one can participate individually.
